

Shield & Bow

2026

Welcome to the Ninth Annual Shield and Bow!

Hello Sisters!

Welcome!! Woohoo! We are incredibly grateful to be gathering again so thank you for being here! Whether you're here for the first time or are a returning attendee, we are very excited to have you at this year's event. Without you, all of our work would be for nothing.

Shield and Bow is a volunteer driven space that is co-created with community. Everything that happens here is because of you and everyone around you! From music and singing around the fire to workshops to the overall vibe, that is created by community. So be brave! Lead a song, start a drumbeat or dance, say "Hi!" to a stranger and bring your favourite self forward!

To our incredible workshop hosts, thank you for being brave while also freely giving us something to do and learn! So much gratitude to you all.

This year, we are looking forward to spending time with like-minded folks. The world can be hard but it is also a beautiful and wondrous place. We are so grateful to be able to pause, breathe and be in a space where the foundation is based on love, respect and kindness to others and ourselves.

Over the years, this has become a nonnegotiable tenet of our event. By respecting each other and ourselves, we create a safe space where everyone can let their gifts be seen and appreciated. By approaching everyone in love and/or kindness we allow ourselves and others to relax and connect. Some folks at S and B may not be your cup of tea but we believe it is possible to walk with each other in a good way.

It is our intent and goal that you'll find healthy connection, joy and a renewed sense of hope that will ripple forward into your life.

Whether you've been here or not, know that your presence is valued and as always, participate in as much or as little as you want. It's YOUR weekend so come as you are and know that we are very happy you're here.

Welcome!

Volunteers

Shield and Bow is a fully volunteer run event: for our Sisters, by our Sisters!

We have always run this event with a focus on lifting each other up. As an attendee, what better way of doing that than helping with various tasks, such as picking things up after workshops, sweeping the feast hall or helping to pick up garbage on the ground.

We encourage you to lend a hand and take part in our volunteer program. Throughout the weekend, please find our volunteer coordinator Monique who can set you up!

This year, we will be giving out free raffle tickets for completed jobs as a thank you. Tickets can be used Sunday morning at the raffle so be sure to find Monique and get your volunteering on!

A Toast To All Our Years

To love and to life
And to all of our years
Of creating reality
Through laughter and tears

To this spiritual being
That's living within
A solid illusion
Through thick and through thin

To this sea of vibration
Creating the fire
To spark and to act
Upon burning desire

May the spiritual visions
And signs that we find
Be the gateway and bridge
To our unconscious mind

Let's empower this life
With wisdom and more
To free up the soul, and then let it soar
